

# Students Organising for Sustainability Survey Results

This year we were very pleased to have seen our highest response rate when sharing the **Students Organising for Sustainability Survey**. This was a fantastic opportunity to work closely with the NUS and provided some key insights, we've highlighted a few here.

We'll be using these findings, paired with the primary research we've conducted within the Guild to shape our ongoing approaches to sustainability.

“ Through my time in education so far, I've learnt... ”
