

The University of Birmingham [Guild of Students](#) is a charity and the students' union for more than 38,000 students. We represent our members to the University and other organisations on the issues that matter to students most. We also exist to help students develop skills outside of study, have fun, meet people and make sure their time at Birmingham is special. The Guild has a long and varied history as a cornerstone of the University experience, see [here](#).

The Guild welcomes applications from a wide range of backgrounds and **in particular we welcome applications from people of colour** as we seek to continually increase diversity within our governance structures.
