# In person campaigning

Campaigning in-person may involve speaking to students, and having a physical campaign presence (e.g. putting publicity material up)

# General guidance

For any physical publicity/campaign materials (e.g. leaflets, banners etc):

- Avoid fences or exterior surfaces. Using rope on lampposts, trees and walls is okay. Don't remove plastic tree tags
- Don't create blind spots
- Don't mark the ground
- Estates will remove any material that looks untidy

Remove anything you put up ASAP after the close of voting. Failure to do so may result in a fine from the University.

## Door knocking in Selly Oak & Campaigning in Halls

Candidates often do these as part of their campaigns for Officer Elections – you are welcome to do them for Autumn Elections too!

Please do consider any safety guidelines though (e.g. taking somebody else with you), and ensure that you obtain permission from the relevant accommodation staff if you are campaigning in Halls

You can find out more about the accommodation at UoB here:

- [Student Accommodation - University of Birmingham](#)
- [Studios and Studio Apartments - University of Birmingham](#)

You can find more about the location of UoB accommodation on the UoB campus map. There is also a map of the Vale Village in the shared Google Drive.

You can find out more about Selly Oak here:
