

Officer:	Campaigns Officer (Yu Xu)
Date of panel:	04/02/2020

Written Statement action plan

Summary of Written Statement Items	
<p>Continue promoting campaigns significantly with adjustments due to unexpectedly continuous pandemic and relevant regulations to achieve the original key aims even though some statements and relevant policies still have to be changed to 'make real sense'.</p>	
Context:	<p>Make campaigns still significant and easier regardless of continuous pandemic situation.</p>
Progress:	<p>Cooperate or host to promote the proceeding of campaigns existing or potential campaigns and the events related.</p> <p>Following the working above and based on meetings and discussion of Campaigns Committee, continue investigating the thoughts of students (of different backgrounds) and the general situations of how campaigns or events related have been going in current conditions to make further adjustments and plans and help relevant (potential) campaigns as well as their preparation.</p>

Role and responsibilities

Meeting / project	Outcome for students
Spring Elections	<p>Based on experience of Autumn Election, continue and extend to make the main themes and vibe of the elections highly</p>

	<p>related to the key statements and core aims of the role such as 'make real changes' and promote them.</p> <p>Answer enquires related.</p> <p>Hold sessions below:</p>
<p>Session of Campaigns Officer and EEO</p>	<p>Promote spreading during preparation in advance and hold it to encourage more engagements in both the election and further or potential campaigns, generating vibe with passion for campaigning.</p>
<p>International Session</p>	<p>Similarly promote spreading during preparation in advance and hold it but especially in term of breaking barrier international students are most likely face to encourage more engagements in both the election and further or potential campaigns, generating vibe with passion for campaigning.</p>
